Early Bird Registration for 2018 Fairfax, Arlington, and Alexandria Junior 4-H Camp

This year we are offering an Early Bird Special to youth members that are interested in attending our 2018 Junior 4-H Camp held at the Northern Virginia 4-H Educational and Conference Center in Front Royal, Virginia.

During 4-H Camp, campers will attend three different classes, which are preselected by the youth during registration. Youth also have the opportunity to select their roommates, which will also serve as their “pack” throughout the course of camp. While we do our very best to honor all classes request and roommate selections, we cannot guarantee placements.

However, with this limited time Early Bird Registration, members will have preferential choices on classes and roommate selections. In order to qualify for the Early Bird Registration, youth must submit their registrations on or before **Friday, February 16, 2018** along with a check for the full price of camp. Scholarships may not be applied to early bird registrants.

We look forward to another excellent camping season with your youth! Please feel free to contact the Arlington County Extension Office at 703-228-6404 for more information on camp.

Thank you,
 Caitlin Verdu

RE: Registration for 2018 Fairfax, Arlington, and Alexandria 4-H Junior Camp

Information about 4-H camp...

4-H Junior Camp is held at the Northern Virginia 4-H Educational and Conference Center in Front Royal, Virginia. Campers are lodged in a room with campers of similar age, and have the opportunity to request their roommates if they like. Each room is part of a Pack, which serves as the camper's "family" during the week of camp. Packs are involved in different contests on various days and Bear Claws are awarded for spirit, participation, and demonstrations of good character!

Each day, campers go to three different classes that they sign up for prior to arriving at camp. There is free swim and recreation time each day, as well as evening programs and a campfire. Past evening programs have included Water Olympics, Newspaper Fashion Show, Talent Shows, and Scavenger Hunts. *Please note: We do our very best to honor all class and roommate requests but cannot guarantee placement according to requests. Thank you for your flexibility and understanding!*

Each year we recruit teen volunteers 14 and up to serve as Counselors for our camp. These teens, as well as our adult volunteers and 4-H Center Staff, complete a training series and are tested on core concepts before attending camp. In addition, each of Virginia's 4-H Centers is accredited by The American Camp Association, the authority on youth camping in the country. Our staff is trained according to the ACA requirements and you can rest assured that your child will have a safe, enjoyable experience at 4-H Camp!

Registration Information

Registration is open for the Fairfax, Arlington, and Alexandria 4-H Junior Camp (July 22 – July 26, 2018). Registration will close when camp fills, or in late June.

After registration closes, incoming registrants will be placed on a waitlist.

This year the **camp fee is \$350** and includes meals and lodging for five days and four nights, a camp t-shirt, class supplies, and transportation *from* camp.

Age Eligibility: Campers must be at least 9 years of age, as of September 30, 2018 and no older than 13 years of age as of January 1, 2018.

****NOTE: Parents/ guardians must provide transportation for their campers TO camp on Sunday, July 22nd.** We will bring them back to a central location for pick-up on July 26th.

All registration materials are included in this packet and should be completed in full and submitted to your local extension office via mail (**Virginia Cooperative Extension – Arlington Unit, Attn: Caitlin Verdu, 3308 S Stafford St, Arlington VA 22206**) or in-person in order for your application to be processed.

We do not accept emailed applications.

4HOnline Enrollment: As you may know, Virginia 4-H now has an online enrollment system. If your camper is involved in other 4-H activities (clubs, after school, or other programs) *and you have completed their online enrollment*, you DO NOT need to submit certain physical paper forms; just make sure they are complete and up-to-date online, especially your child's health history (including who is authorized to pick them up), the code of conduct, and the equine waiver. You DO need to check the box on the camp registration, and also mail or deliver the registration form with the class selection form, as well as the medication form if y

Completed Applications Must Contain:

- Camper / CIT Registration
- Class Selection Form
- 4-H Health History Form with tetanus shot date and media release completed
- Code of Conduct
- Optional Medication Form (see below)
- Payment

Optional Medication Form:

-Use this form only if camper will be bringing medication (prescription or over the counter) to camp. The Northern Virginia 4-H Center requires two (2) original medication forms: first form should be returned with the registration packet, and the second form is to accompany the medication turned in at check-in when we leave for camp.

Remember: Your child's application is not considered complete until **ALL** parts of the registration are complete and received by the office. Your application will be returned if any information or signatures are missing.

Please also note that **we accept applications based on residency**. You **MUST** submit your application to the office for the location in which you reside.

- *"I live in Arlington County but the Fairfax County office is closer to my work. Can't I just register with Fairfax County?"* **NO.** If you reside in one county and attempt to register with another, your registration will not be counted as received until it has been forwarded to the appropriate office.
- *"We live in Maryland but want to send our child to your camp. Can we still do that?"* **YES.** If you live outside of Fairfax, Arlington, and Alexandria, please include a brief note explaining your or your child's affiliation with the area and/or our camp. For example, if you want your child and her/his cousin to attend camp together, or if you recently moved out-of-state but your child has attended camp in the past.
- **NOTE:** Priority will be given to local residents, but we will take campers who live outside the area as we are able and as we deem appropriate.

Payment for Camp

As stated above, the 2018 camp fee for campers and CIT's is \$350. We accept payment in the form of check, money order, or credit card payment (*please see included document for credit card payment instructions*); accepted in either one payment, or in two installment payments.

Scholarships

A limited number of scholarships are also available on a need basis. Each applicant submitting a scholarship application is still asked to pay \$75 toward the camp fee to help with the cost of food and camp supplies.

Scholarship applications are due by April 30, 2018. Contact your Extension Agent for the scholarship application.

NEW: Become a Sponsor

Every year we are fortunate to be able to provide families in need with some camp scholarship funds. However, our funds are limited; we cannot always fill all scholarship requests, and families inevitably struggle to meet the cost of camp. This year, if you are able, please consider contributing funds towards sponsoring a camper whose family is in need. Contact your local office for more information.

Tax Credits

4-H Junior Camp is an overnight camp. **IRS Publication 503** states that, "The cost of sending your child to an overnight camp is not considered a work-related expense." In other words, our camp is not tax deductible.

Payment Instructions

Submitting payment before submitting the registration does not save a spot for your camper. All forms and at least partial payment must be received by the appropriate office in order for registration to be processed.

Payment Via Check or Money Order

Please make all checks or money orders payable to: Treasurer of Virginia Tech

Payment Via Credit Card

Please see attached instruction form.

Refund Policy

Once you register for camp, if you discover that your child cannot attend for any reason, our refund policy is outlined in the table below. Please note that refunds go through Virginia Tech and take approximately 6-8 weeks to process.

Dates	Percentage	Amount
Before April 27	100%	\$350
April 27 – June 8	50%	\$175.00
After June 8	0%	\$0.00

Counselor-in-Training (CIT) Program

If you are at least 13 years of age as of January 1st and will complete 8th grade this school year, you are eligible to become a CIT at camp! CIT's complete a brief training prior to camp, take a special leadership course at camp, and are given extra responsibilities to prepare them to take on the role of counselor the following year. The CIT application is the same as the camper application. Please follow the instructions indicated in the "To be a Counselor-in-Training" box on the registration form. Please note: *All CIT's are required to attend the new camper orientation as well as the training that will be held that same afternoon.*

Call for Adult Volunteers

Have you ever wanted to come to camp with us? Good news! Every year we take a handful of adult volunteers to help with supervision, class facilitation, and other duties as assigned. Volunteers serve as Lodge Deans at night, help out during the day, and have plenty of time to rest and relax, basking in the unparalleled beauty of the Blue Ridge Mountains. If you're interested and willing to come with us, let us know! Volunteers must be 19 years of age by January 1, 2018 and receive training prior to attending camp.

4-H YEAR: 2017-2018

VIRGINIA 4-H STANDARDIZED CODE OF CONDUCT FOR 4-H PROGRAMS/EVENTS

Purpose

The purpose of the 4-H program is the positive development of youth. We believe in creating a safe learning environment that encourages the four-fold development of a young person (i.e., Head, Heart, Hands, and Health). We expect all persons involved in 4-H (youth members, parents, teen/adult volunteers) to practice behaviors that foster the total development of youth. Each 4-H member and associated individuals participating in 4-H activities must accept the responsibility of creating a positive image that reflects 4-H ideals. Furthermore, the Virginia 4-H program recognizes that "CHARACTER COUNTS!" All 4-H participants are representatives of the program and should always strive to uphold the following standards: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship. In seeking uniformity in the conduct expected at 4-H programs/events, the following code of conduct has been developed to provide a clear understanding of expectations. Participants and parents/guardians must sign this form in order to participate.

Code of Conduct

1. For the safety and wellness of all participants, a completed and signed 4-H Health History Report Form is required for participation in 4-H events. In addition, medications and medication forms (for all participants under 18 years old) must be turned in at the registration table upon arrival at the 4-H event (or according to another system outlined in the registration/orientation information).
2. Participants should attend and be actively involved in all scheduled activities as part of this 4-H program/event (unless under the supervision of a medical staff person.) Curfew is to be followed as specified in the schedule for overnight events. Failure to be in assigned locations may lead to dismissal from the 4-H event. Some areas are off-limits to participants (ex: swimming pool; bodies of water such as lakes and rivers; challenge course, etc.) unless under appropriate instructor supervision.
3. Visitors to a 4-H program/event must check-in with the Extension Agent, Program Director, or other adult in charge of the 4-H program/event upon arrival.
4. Participants should remain at a 4-H program/event until the program/event is scheduled to end. Participants may not leave a 4-H program/event without prior permission from Extension Agent, Program Director, or other adult in charge of the 4-H program/event. Participants may only be picked up from a 4-H program/event by the person designated on the 4-H Health History Report Form. Identification may be requested at the time of pick-up.
5. Participants are expected to follow the directions of 4-H volunteers and paid staff. All 4-H'ers are under the supervision of the Extension Agent, Program Director, or other adult 4-H leader responsible for the 4-H program/event.
6. Participants should respect the property of others and be responsible for themselves. Deliberate destruction or removal of facilities or equipment is not permitted. Financial responsibility for any damages caused by deliberate destruction will be assumed by the participant and/or parents/guardians. The same applies to the property and personal items of other participants.
7. Participants should treat all others and themselves with respect. Aggressive, abusive, vulgar, or violent language and behavior towards others (ex: fighting, threats, insults, cursing, discrimination, etc.) are not permitted.
